

Your Recovery is the Priority

Birth Control Gives You the Time to Heal and Take Care of Yourself

Most pregnancies are not planned.

A baby could make your recovery harder. Now is the time to focus on you.

Talk to your health care provider about the best birth control option for you.

If you don't have health insurance or a doctor, call 800-324-8680 for help. You may qualify for free birth control.
